The Eastside Band Syllabus is posted at www.prideofeastside.org Please visit the band's website and read it.

While there, click the link to **CHARMS**, then follow the directions there – The School Code is **eastsidehsband** and your child's **student #** is the password. Once inside CHARMS, please make sure your information is correct. If it is not, please add it. Do make sure there is at least one parent and a functioning parent e-mail. CHARMS is a terrific web-based band management system we utilize to help our band function and to aide with communication.

Then, please e-mail Mr. Fowler acknowledging that your Charms Login Password works. A 110 test grade will be entered for each student whose parent e-mails Mr. F to confirm their CHARMS information is correct. **Also, check out REMIND.**
