- Send in the Marching Band Deposit by April – “*Early Bird*” by April 10th
- Check-out www.prideofeastside.org Also, Facebook & Twitter

Transitioning to high school can be quite challenging, and the best way I have seen to help with that is for students to get involved.

The band, and particularly marching band, here at Eastside is a wonderful program for students to get involved before school even starts. We have a track record of success and look forward to having you as part of OUR band family.

We are planning TPOE Marching Band visitation days to Cousins & ICMS. It looks like those will be Friday, April 12th, and Thursday, April 18th, respectively. Theme School & other students will be invited to attend either or both of those. Look for more details next week.

Please let us know should you have any questions.

Please text @tpoenew to 81010

Thank you ... and GO BAND!
